📍 Isère, open to relocation

🚗 Driver's license B, own vehicle

📄 French (native) and English (fluent)

ABOUT ME

Communications apprentice at **Pyxalis**, a Grenoble-based SME specialising in image sensors, I roll out the communication plan alongside Strategic Marketing: events, product communication, corporate and digital. After more than a year at **YouStudio** creating content and running a community of musicians, I am moving towards a **generalist and strategic communications profile**, with a keen interest in **social media, community management and events**.
